Juice up this Fresh Concept!

About Guri Guri

Established in 2014, Guri Guri is a fresh concept that allows juicing fruits from the inside. No additives. No preservatives. Citrus fruits served fresh off the pulp!

With a specialized machine patented under Guri Guri, this unique juicing mechanism allows for a different beverage experience for clients around the globe!

Guri Guri Japan

Hailing from Japan, Guri Guri is present in major cities and tourist spots in Japan.
